

We accept children ages 3+ who are fully potty trained. We run Tuesdays and Thursdays from 9-11:30 am at the Marshall 3 Links Hall. Our playschool goes from beginning of September to the end of May.

We focus on play-based education. We try to:

- **Provide an opportunity for the children to meet and play with other children their own age and make future kindergarten friends.**
- **Help in building up confidence in your child.**
- **Teach various skills by fun-based play such as scissor cutting, pasting, coloring, tracing and through numerous games as well.**

We accept new registration all year long (until spots are all filled).
